## SBB TV's Main Menu and Features

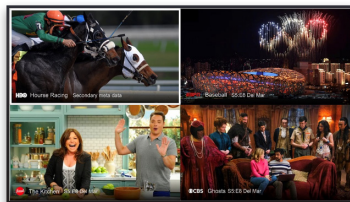

The main menu is the starting point for just about everything you do with the SBB TV service. From the main menu, you can easily access popular destinations like the Home screen, the Guide, Shows, Movies, and Apps.

### Advanced Interactive Guide

Choose **Guide** from the main menu, or press the **Guide** button  to access intuitive features such as **Favorites**, **Replay** and **Filter** options.

Interactive Guide

Multiview

### Multiview

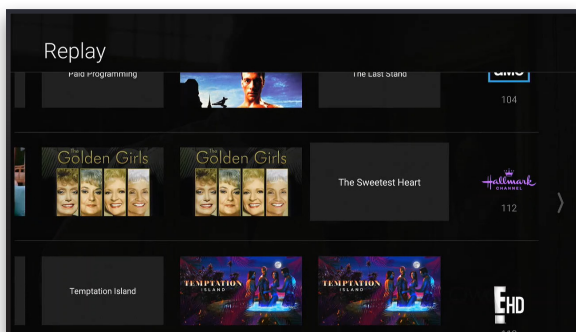

Watch the four (4) most recently viewed live channels all at once on a single screen. Simply access **Multiview** from the main navigation and select **'MultiView'** to get started.

### Speak and You Shall Find

Press and release the Google Assistant button  or Voice Search button  on your remote, and speak into the remote to find a show, open an app, or get recommendations. Try saying things like "Action movies", "Basketball games" and more.

### Turn Back Time with Replay

Missed your favorite show? No problem! Just select Replay to choose from previously aired shows that are available to watch.

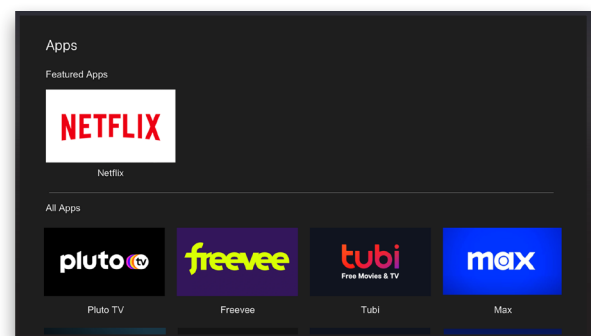

### Viewing On The Go

Additionally you can enjoy SBB TV from your mobile device. Just download it from your device's app store.

### Your Favorite Streaming Apps

Choose **Apps** from the main menu or press the **Apps** button  on your remote control to see all your apps.

### Shows & Movies: Browse the Best

Use the Shows or Movies screens to browse thousands of options. You can filter by genre such as Action or Comedy, and limit results to content rated for Kids, Teens, or Adults.
